The length of the abstract is limited to one-page. The submitted abstracts will be included in the book of abstracts of the MECO45 conference to be held in Cluj-Napoca in 2020. The book of abstracts will be published online on the conference webpage and an electronic copy will be provided for all participants on a USB flash drive. If you want to make your abstract more attractive and informative, you can include figures and references to articles [1] or books [2].
